

A strong man

Music, sports and travel. Roberto tells us how to balance these three activities in your life.

"I think my life would be in large part on whether he could travel with frequent, and more so if he can go hand in hand with my work. "

Tell me about your background.

I sit and think a mixture. I was born in the south of Greater Buenos Aires, and I am the grandson of German and Italian great-grandson.

How is your relationship with sports?

Excellent! Sport and I are inseparable, to share the shower when we shower (laughs). I tell you that throughout my life I have practiced several sports, among which I can mention for example rugby, soccer, swimming, volleyball, handball, basketball, tennis and Olympic sports. But now I train in bodybuilding, accompanying it with jogging.

I know you're a musician and play bass. Do you remember any story on this?

If it was during a trip to Chile were going to offer a few concerts with a band that used to have at that time.

I tell you to get there, we stayed at the house of our driver. That same night one of my classmates went to the bathroom while everyone was asleep. Unintentionally, to toggle the toilet, which I should clarify malfunctioned, caused a loss of water flooding the house finished and soaking everything it touched. When I realized the fact, I burst out laughing so hard and could not wake my colleagues to tell them what was happening. Eventually we had to take everything that was wet to the yard, including mattresses, candles, furniture and our clothes that were on the floor. The funny thing is that the process had to be silent so as not to awaken the homeowner. Unforgettable.

I also know that you traveled to Los Angeles, USA. Was the course of work or tourism?

I was visiting a friend of mine. In the time that I also do some work as an actor. I called for a television program called "people's court", where I acted as a gym teacher sued by my student, and also working on a car wash in Beverly Hills, where I remember washing cars celebrities like Don Johnson and Nicolas Cage.

Taking into account the activities you developed in Los Angeles Would you travel abroad to work today?

Of course he would travel to work. I love traveling and meeting other cultures, other places in the world, because I always create new experiences. I think my life would be in large part on whether he could travel with frequent, and more so if he can go hand in hand with my work.

Tell us how would you describe your ideal woman.

The woman described as a beautiful, sincere, accomplice, companion, friend, great lover, a beautiful and voluptuous curves.

What does it mean to you "be happy"?

I think it is to be fully in what you love to do. Understand, believe and love what you are.
Personally, I declare myself a man of faith.

Un Hombre FuerteCuÃ©ntame acerca de tus orÃ-genes.

Me siento y considero una mezcla. NacÃ© en la zona sur del Gran Buenos Aires, y soy nieto de alemanes y bisnieto de italianos.

Â¿CÃ³mo es tu relaciÃ³n con el deporte?

Â¡Excelente! El deporte y yo somos amigos inseparables, compartimos hasta la ducha cuando nos baÃ±amos (risas). Te cuento que a lo largo de mi vida he practicado varios deportes, entre los cuales te puedo mencionar por ejemplo el rugby, futbol, nataciÃ³n, vÃ³ley, hÃ¡ndbol, bÃ;squet, tenis y deportes olÃ³mpicos. Pero actualmente me entreno en musculaciÃ³n, acompaÃ±Ã¡ndolo con footing.

SÃ© que eres mÃ³sico y tocas el bajo. Â¿Recuerdas alguna anÃ©cdota en relaciÃ³n a esto?

Si, fue durante un viaje a Chile Ã¡bamos a ofrecer unos conciertos junto a una banda que solÃ¡a tener en aquel momento.

Te cuento que al llegar, nos hospedamos en la casa de nuestro chofer. Esa misma noche uno de mis compaÃ±eros fue al baÃ±o mientras todos dormÃ¡an. Sin querer, al accionar la palanca del inodoro, la cual debo aclarar no funcionaba correctamente, provocÃ³ una pÃ©rdida de agua que termino inundando toda la casa y empapando todo lo que tocaba. Cuando me percatÃ© del hecho, me dio un ataque de risa tan fuerte que ni podÃ¡a despertar a mis compaÃ±eros para avisarles lo que estaba ocurriendo.

Al final tuvimos que sacar todo lo que estaba mojado al patio, incluyendo colchones, veladores, muebles y nuestras prendas que estaban en el piso. Lo mÃ¡s cÃ³mico de esto es que el proceso tuvo que ser en silencio para no despertar al dueÃ±o de casa. Inolvidable.

TambiÃ©n sÃ© que viajaste a Los Ã•ngeles, Estados Unidos. Â¿Fue por motivo laboral o turÃ¡stico?

Fui a visitar a un amigo mÃ³. En el tiempo que estuve, tambiÃ©n realice algunos trabajos como actor. Me convocaron para un programa de televisiÃ³n llamado "La corte del pueblo", donde actuÃ© como profesor de gimnasia demandado por mi alumna, y tambiÃ©n trabajo en un lavadero de autos en Beverly Hills, donde recuerdo haber lavado los automÃ³viles de celebridades como Don Johnson y Nicolas Cage.

Teniendo en cuenta las actividades que desarrollaste en Los Ã•ngeles, Â¿viajarÃ-as al exterior para trabajar en la actualidad?

Por supuesto que viajarÃ-a para trabajar. Me apasiona viajar y conocer otras culturas, otros sitios del mundo, ya que siempre me generan nuevas experiencias. Creo que mi vida estarÃ-a en gran parte realizada si podrÃ-a viajar con frecuencia, y mÃ¡s aÃºn si puede ir de la mano con mi trabajo.

CuÃ©ntanos cÃ³mo describirÃ-as a tu mujer ideal.

La describirÃ-a como una mujer bonita, sincera, cÃ³mplice, compaÃ±era, amiga, excelente amante, voluptuosa y con unas bellas curvas.

Â¿QuÃ© significa para vos â€œser felizâ€?

Considero que es sentirse pleno en lo que uno ama hacer. Entender, creer y amar lo que se es. Personalmente, me declaro un hombre de fe.
