

Age, just a number

Would you be willing to leave your youth behind by a man?

"I like living in the present and not worry about the future (...)"

Marianne, you tell us about your relationship with Victor?

two years ago that we're together, we met the gym.

What is coexistence?

Despite our age difference we have an excellent living, our tastes are very similar.

Are not you afraid that the future of this age difference becomes a problem in the relationship?

I like to live the present without having to worry about the future, for this reason could not honestly answer you this question.

Why your partner does not come with you to the photo shoot?

For his work to make road travel, is currently at a conference in Sao Paulo, this prevented him from being here.

In your vacation with Sunset Yellow, what was your destination?

We conducted a two-week trip during the month of January to Punta del Este, Republica Oriental del Uruguay.

Why do we choose?

A couple of friends recommended this site to Victor, where they offer apartment rentals in various locations.

Would you use our service on your next trip?

Yes, they were very kind with us and we had no problem, plus they were always at our disposal. I make this photo shoot and I would like to know other couples our experience.
