Tamara decides to pose for our cameras, completing unfinished.

"(...) I am grateful that I have fulfilled this dream."

Why did you decide to study Pilates?

I love taking care of my body and the best way is doing daily exercise, Pilates is a relaxing activity and very good for the body, I love it.

Do you have your own studio?

No, it's my dream, but now I work part-time in a gym.

Do you have a boyfriend? If so, do you had a problem for these pictures?

I have boyfriend, and he is very understanding, he even offered me to accompany to the set.

Would you like to be a model?

No, but I am comfortable with myself, comfortable on camera, and wanted to have the experience of the work of a model on camera.

How did you meet Premula?

I knew their website some time ago, I sent a mail with some pictures I had from my birthday and I was offered this opportunity to make this session, to show that you don't need to be a supermodel to be in the press.

Did you enjoy the experience?

Yes, I felt comfortable, safe, and above all very taken care off.

Would you do it again?

No, although I had a great time, I already choose another way of life. This was something I always wanted to do so, and I appreciate that I have this dream fulfilled.
